RESOLUTION. (Misc ~~R~~) No. 1767, dated 11. 8. 1925

S. No. 61/2B. Exclusion from the
operation of the Act.

A 4208/25.

To A.S.

Please see the Collector's
letter below.

The Collector proposes the
assignment of a portion of road
poramboke (S. No. 61/2) for no other
reason than that it has been
encroached upon by the adjacent
landowner - Vide Sketch (Subdn 2B)
at page 4C file

The Collector has not reported
and the Sketch ~~submitted~~ of the
road does not show ~~the~~ what place
the road leads
~~comes and with it goes~~. It is
not also known whether the road
is now in use.

Applications for the
subdivision and assignment of
road and ~~foot~~path poramboke
have been observed to be
~~are~~ on the increase and in a recent
case of the proposed assignment
of 1.26 acres of land classed as
foot path poramboke, the Board
disagreed with the Collector and

K file under issue

pointed out to Govt that such applications are sent up without proper justification

In the present case there are no special circumstances deserving the Board's support.

If deemed necessary the Collector may be asked to report on A overleaf before orders are passed. & also on the necessity for resuming the encroachment Secy

PE 30.7.25

The Collrs proposal may be turned down without further Correspondence. There is no case to slice off a bit of 21 cents from a roadpramboke simply because the adjacent owner encroach upon the land. The Collr may be instructed to evict him.
